## Step-by-Step Instructions

### Step 2: Report your stock

**Line 8** – From Schedule CC or Form RC-6-A-W, Out-of-State Cigarette and Little Cigar Revenue Return Worksheet, enter the number of cigarettes and little cigars you purchased with an Illinois stamp affixed to the original package at the time of purchase.

**Line 10** – From Schedule CH, enter the total number of little cigars that are reportable on Line 8 of Form RC-55, Unstamped Little Cigar Sticks Tax Return, or any other necessary deductions. See Schedule CH instructions for additional information.

**Line 11** – From Schedule CK, enter the number of unstamped cigarettes and little cigars shipped from a point outside Illinois to a point inside of Illinois.

**Line 12** – Total number of Illinois stamped cigarettes and little cigars shipped into Illinois as reported on Schedule CL.

**Line 13** – Effective June 24, 2012, the mill rate is 99 mills (\$0.099) per stick. Use this rate to figure the tax due. However, if Step 2, Line 12, includes cigarettes or little cigars sold at “old” or multiple mill rates, you will need to figure the amount for Line 13 by completing Form RC-6-A-W.

### Step 3: Report your Illinois cigarette revenue stamp usage

**Line 14** – Gross value (do not deduct any discount allowed on invoices) of all Illinois stamps, whether affixed to original packages or loose, on hand at the beginning of the month for which you are filing this return.

**Line 15** – Total value of unaffixed stamps transferred from another licensed distributor.

**Line 16** – Gross value of all Illinois stamps you purchased from us during the month.

**Line 17** – Figure the gross value of all Illinois stamps that were affixed to original packages of cigarettes and little cigars when you purchased or otherwise acquired them as reported on Schedule CC.

Effective June 24, 2012, the mill rate is 99 mills (\$0.099) per stick. Use this rate to figure the value of stamps affixed to original packages when purchased. However, if Step 2, Line 8, includes cigarettes or little cigars purchased at “old” or multiple mill rates, you will need to figure the amount for Line 17 by completing Form RC-6-A-W.

**Line 19** – Total value of unaffixed stamps transferred to another licensed distributor. **Note:** All stamp transfers must be approved by the department prior to the transfer.

**Line 23** – Total value of all Illinois stamps affixed to original packages of cigarettes or little cigars on hand at the end of the month as reported on Schedule CF or Form RC-6-A-W.

**Line 24** – Gross value of all Illinois stamps not affixed to original packages on hand at the end of the month as reported on Schedule CF or Form RC-6-A-W.

### Returned merchandise

If you returned cigarettes or little cigars with Illinois stamps affixed to an out-of-state manufacturer, report the number of sticks on Line 9 and the value of the stamps on Line 20. If you return unaffixed stamps to us, also report the value of these stamps on Line 20.

When an original package bearing an Illinois cigarette tax stamp is returned to you, report the return as a purchase with stamps affixed on Schedule CC.
